

# Place Value Worksheet - Rounding Practice!

Round the numbers between 100 - 10,000 to the nearest 10, 100, or 1000

Example:  
Round to the nearest 10

$$3428 \approx \underline{3430}$$

Example:  
Round to the nearest 100

$$3423 \approx \underline{3400}$$

Example:  
Round to the nearest 1000

$$\underline{3}423 \approx \underline{3000}$$

$$\underline{5}280 \approx \underline{\quad}$$

$$\underline{5}631 \approx \underline{\quad}$$

$$\underline{2}52 \approx \underline{\quad}$$

$$\underline{6}312 \approx \underline{\quad}$$

$$\underline{9}38 \approx \underline{\quad}$$

$$75\underline{4}5 \approx \underline{\quad}$$

$$\underline{8}979 \approx \underline{\quad}$$

$$\underline{9}151 \approx \underline{\quad}$$

$$4\underline{3}76 \approx \underline{\quad}$$

$$\underline{3}58 \approx \underline{\quad}$$

$$\underline{9}32 \approx \underline{\quad}$$

$$57\underline{3} \approx \underline{\quad}$$

$$45\underline{8}2 \approx \underline{\quad}$$

$$9\underline{9}42 \approx \underline{\quad}$$

$$1497 \approx \underline{\quad}$$

$$716 \approx \underline{\quad}$$

$$82\underline{5}9 \approx \underline{\quad}$$

$$94\underline{3}5 \approx \underline{\quad}$$

$$\underline{4}232 \approx \underline{\quad}$$

$$\underline{4}44 \approx \underline{\quad}$$

$$\underline{6}150 \approx \underline{\quad}$$

You've been putting in a great effort!
